When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Barre testimony to prove it.

George L. Cummings, engineer, living at 13 Branch street, Barre, Vt., says: "Eight years ago Doan's Kidney Pills procured at E. A. Down's drug store, stopped a constant dull aching in the small of my back and through the kidneys, which was always more severe after a hard day's work. In addition to the aching in my back there was a distressing kidney weakness which was most annoying. Doan's Kidney Pills cured me of all these troubles and there have only been slight recurrences since. At such times I have taken a few doses of Doan's Kidney Pills and the attack has always been promptly checked. I have recommended your remedy to scores of people and know of many who have the same good opinion of it that I have."
